

President's Communiqué

Dr. Ken Kitts

August 27, 2021

Greetings, Colleagues! I hope the fall semester is off to a great start for you. I have moved slowly on the release of this initial communiqué in order to gather the latest information available on fall enrollment and coronavirus trends. Both of those topics are addressed below. With that, I extend a very warm WELCOME to each of you as we move deeper into the 2021-2022 academic year. It's good to have everyone back on campus!

Enrollment: The final census for Summer 2020 presented another record for UNA, both in terms of headcount and credit hour production. That marks the tenth consecutive term the University has set enrollment records. We are still many weeks away from census date for Fall 2021.
