

***BEST or FIRST Robotics* SCHOLARSHIP**

University of North Alabama

In support of the ***BEST or FIRST Robotics*** mission, the University of North Alabama has established a merit-based scholarship for **graduating high school seniors** who have actively competed on a ***BEST or FIRST Robotics*** team during their high school career. The University of North Alabama is offering a \$2,000/year scholarship to full-time, undergraduate students.

CRITERIA FOR ELIGIBILITY:

Graduating senior in high school

Participate on a ***BEST or FIRST*** Robotics Competition team or a ***FIRST*** Tech Challenge (FTC) team

Apply and be accepted to the University of North Alabama

Although priority will be given to Engineering/Engineering Technology majors, the scholarship is open to all STEM majors.

SCHOLARSHIP APPLICATION:

For scholarship consideration, all interested students must complete and submit the following by **March 1** of their senior year.

BEST or FIRST Scholarship Application (included below)

One-page, double-spaced essay addressing the following topic: “Describe your participation in ***BEST or FIRST Robotics*** and how it has influenced your career choice.” scholarship may be renewed for up to three additional years provided the student maintains a minimum 3.0 cumulative GPA and 27 credit hours per semester. For more information, visit <https://www.una.edu/financial-aid/terms--conditions.htm>
