You work hard to protect your family's financial future, but some hardships can't be predicted. If you suddenly pass away, the loss of your income can make a difficult situation for those who depend on you even worse.

If your family lost you as a provider, could they continue to make their mortgage payments, save for college or meet other financial obligations?

With supplemental group life insurance, you can help ensure your family has the financial protection they need. And by enrolling in this valuable insurance at work, you can take advantage of a simplified process.

Take advantage of a simplified process with:

- ✓ Less paperwork—just one enrollment form to complete.
- ✓ No medical questionnaires if you enroll during your initial eligibility period.
- ✓ Convenient payroll deductions if any premium is owed.
- ✓ Flexible coverage amounts to meet your family's needs.
