

- ◁ Lockdown Devices – The devices have been delivered to Facilities. Chief Gillilan will send a list of preferred installation sites to Mr. Gautney, who will determine if they can be installed at those sites and oversee their installation.

B. University Emergency Operations Manual – Dr. Bergeron suggested that there needs to be a single Emergency Operations Manual, addressing five critical areas:

1. Emergency Response Plan
2. Health and Safety Protocols
3. Pandemic Preparedness
4. Business Continuity Plan
5. Operations Continuity Plan
