

V. What were the Committee's formal recommendations?

1. The SFS Committee met on April 29, 2014 to select nominees for forty-four (44) endowed scholarship awards for the 2014-2015 academic year. The Student Financial Services (SFS) Team had received over 700 applications for endowed scholarships. The SFS Committee met to make recommendations for recipients of various scholarships totaling \$39,890. The committee reviewed and analyzed 700 scholarship applications to select the 44 recipients. These scholarships are provided by endowment funds administered through the UNA Foundation.

VI. What does the Committee plan to accomplish?

1. In the coming year?
  - a. To continue assisting the SFS Office with decisions on SAP appeals when called upon
  - b. To continue assisting the SFS Office with decisions on scholarship selections and scholarship appeals when called upon
2. In future years?
  - a. Same as 1 (a)
  - b. Same as 1 (b)

VII. What are the Committee's weaknesses?

1. Response times on SAP appeals are often too slow to meet the needs of the students. A periodic, regularly scheduled meeting might help solve this problem. However, the number of appeals and the response time needed to adequately serve the students do not always lend themselves to structured scheduling.
2. Trying to assemble a quorum of members in order to conduct business for regular meeting times is difficult. Faculty and staff members already struggle with overloaded schedules that adversely affect the scheduling process.

VIII. Comments.

The members of the SFS Committee have performed a vital service to the administration of the financial aid process at the University for the period of this report.
