

Annual Report

University of North Alabama
Technology Advisory Committee
2021-2022 Annual Report

I. Executive Summary

Over the 2021-2022 year, the Technology Advisory Committee was tasked to address concerns related to the Digest, Canvas External Tools and Duo Authentication accessibility. At the beginning of the year, a request was made for nominations for Vice Chair, and Darlene Townsend offered to serve as Vice Chair for this year.

II. The Committee's Charge

1. To serve as an advisory committee in the areas related to technology development, acquisition, and management including: networks, cable television, telephone system, computer laboratories and systems
2. To gather information on areas related to technology development, acquisition, and management and assess university needs and performance in light of the information obtained

1. The committee met in October to discuss the Digest and Canvas External
